Wow! That was  
a great Proseoly  
meetings!

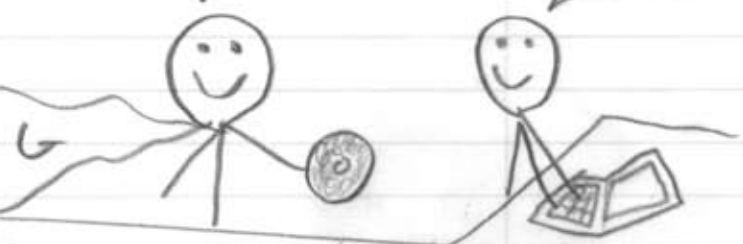

Hmm... The last  
Donut! I wonder what  
I should do with it?

Hey, fellow grad student,  
would you like this  
donut?

Sure!

There's just one problem.  
I am not hungry right  
now. What if Munch  
comes and eats my  
donut?

Don't worry! I'll put the  
donut in this box and  
this note on the box.

Fellow Grad  
Student's  
Donut!  
Do not eat  
unless you  
are Fellow  
Grad Student!

Wow! Great idea! Thanks!  
Oh, and by the  
way ---

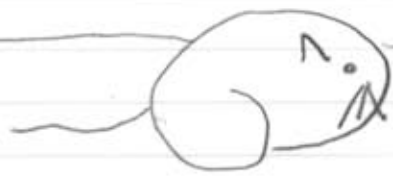

Soon...

I smell donuts!

There they are! How'm I going to get up there?

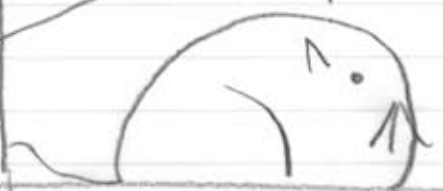

I got it! The most brilliant idea of how to get up there!

Many hours later...

I did it! That really was a great idea!

Munch! What are you doing?

Is that supposed to be a trick question?

Didn't you read the note?

Fellow Grad Student's Donut... Grad students get donuts? I want to be a great student!

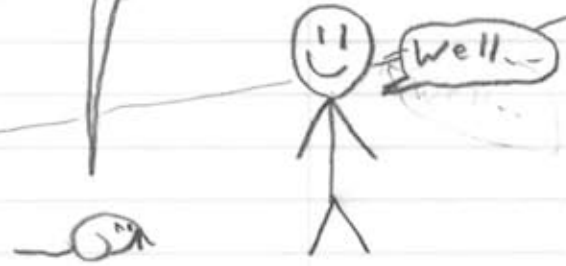

Here, help me fill out  
this grad school application

Ok! You should ask  
Commander ITJ if he  
will be your advisor.

Commander ITJ, I  
applied to grad school.  
Will you be my advisor?

Do you think you  
could finish your  
thesis by tomorrow?

You bet!

Then, sure!  
I'll be your  
advisor

Yay!

What did the Commander  
say?

I'm a grad  
student now so  
I get donuts!

Hmm... that's strange...  
He always tells me to work  
on my thesis.
