

#14 Curse that lovable  
instructible Grad student  
of Chaos! I must  
think of a plan to  
vanquish her once and  
for all!

I know! I will  
kidnap Commander HJ and  
impersonate him!  
Then, I will fire the  
lovable instructible  
Grad student of chaos!

The next day in Commander  
HJ's secret office...

Sorry, Commander HJ! my thesis  
was almost done, but I  
got hungry and  
chopped it to  
pieces

That's OK, Munch. How  
about for next week you  
try eating and working  
at the same time so you  
don't get so hungry. That's  
what the lovable instructible  
Grad student of chaos does...

Thank you, Commander! I  
will try that.

Millions of hours later...

You're welcome!  
Now, I'm off  
to lunch!

I must remember that  
I need to meet with  
the lovable instructible  
grad student of chaos  
at 1 pm today...

Huh?

creak!

Oh, no! Wait,  
Stop! AAAHHHH!!

Many hrs later...  
There, that should take care  
of Commander HJ! Now, to  
disguise myself using this  
Commander HJ disguise kit!

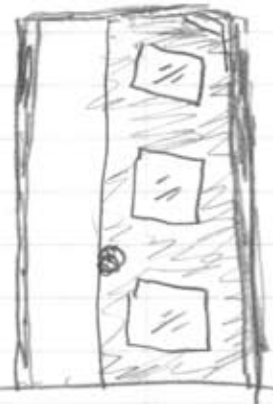

Later, at 12:59 PM...

Wow! That was an  
awesome lunch! Now, I  
need to meet with  
Commander HJ!

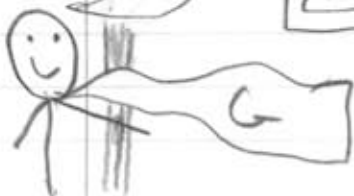

Huh? His door  
is open...

Ah, Good afternoon, Lovable  
Indestructible Great Student  
of Chaos!

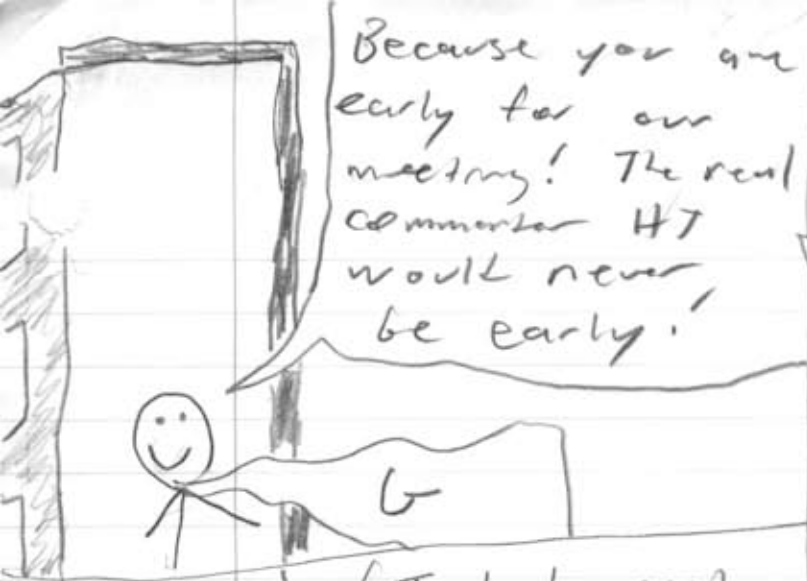

You are not the  
commander! Who  
are you and  
what have you  
done with him?

What? what do you  
mean I'm not the  
Commander? How can  
you tell?

Because you are early for our meeting! The real commander HJ would never be early!

Curses! You are correct! I am none other than the unlovable, destructible undergraduate of order!

Where is Commander HJ?

I kidnapped him and took him to the bubble tea place.

Is that a Commander HJ disguise kit? That's a very chaotic thing to use...

It is...?

AAAAAHHHH!

THUD!

Are you OK?

Yeah, I'll be fine.

Epilogue... So, lovable indestructible Grad student of Chaos, how is your thesis coming along?
