Ah! It's 4 o'clock and 26 hrs in the morning and my PhD Thesis is almost started!

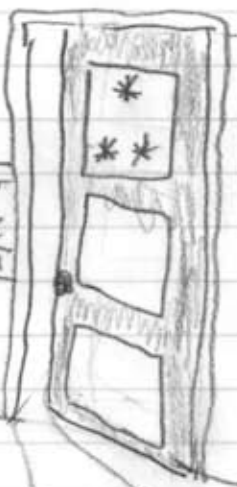

~ CREEEEAK ~

Hey, that sounds like the door to Commander HJ's secret office, but he's away on a secret mission in Iowa. I'd better investigate!

Hmm... The door is open and the light is on...

Hello? Who's there...?

YOU!!!

Yes! It is I, the untouchable, destructible undergraduate of order! I have taken over Commander HJ's secret office!

This is an outrage! I was secretly planning to steal Commander HJ's secret office! I mean, stealing is wrong! Prepare to be defeated!

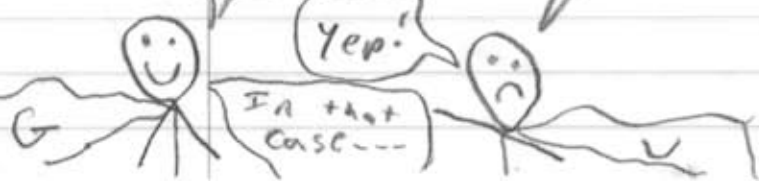

Not this time! I'm never leaving this office, It's so clean and organized! I thrive on order!

Oh, yeah...

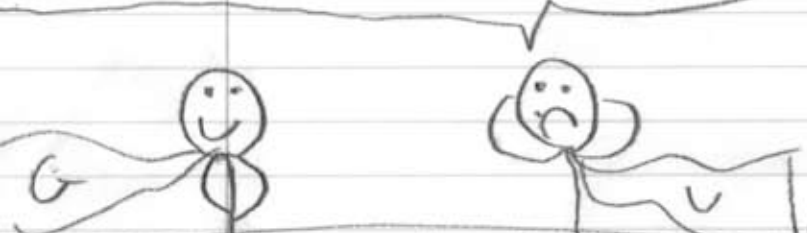

Yep!

In that case---

~ SMASH ~ ~ BOINK ~
~ CRASH ~
~ CRUNCH ~
~ CLATTER ~

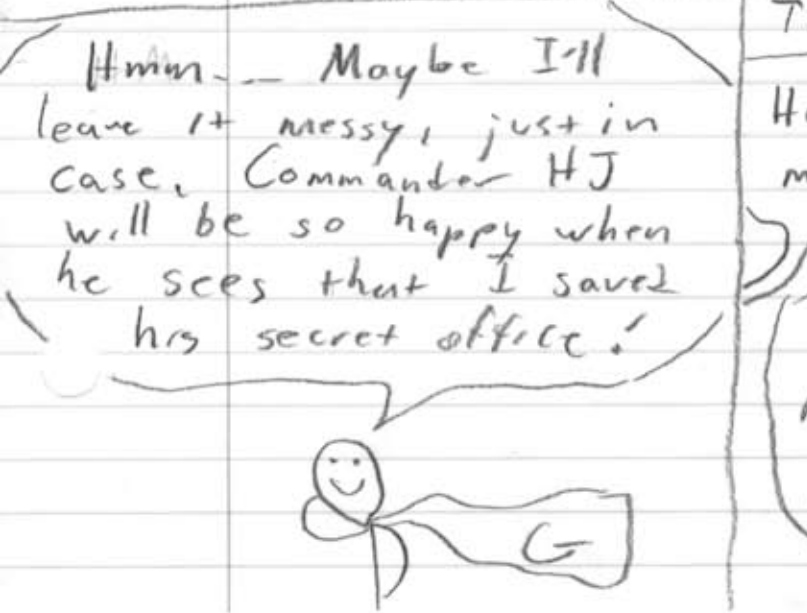

Nooooo!! What have you done? The secret office is such a mess! It's a disaster. I can't stand all this horrible chaos! I'm leaving!

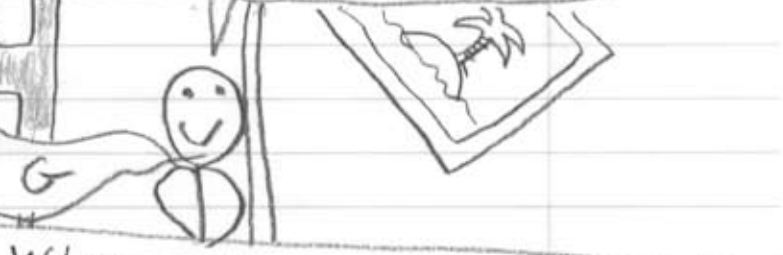

After a lot of work, the secret office is clean once again. ---

MORK! POP!
SMASH!
Crumple! CRUNCH!
SPLATTER!

Looks like I saved the day again! I had better put my, I mean, Commander HJ's office back the way I found it.

What are you doing back here?

It's clean again, so I was going to steal it again

Not again! I'm leaving until this place is cleaned up!

The following Monday ---

Hey!! What happened to my office???

Lovable Indestructible Grad student of Chaos, did you mess up my office?

And so, the lovable indestructible grad student of Chaos explains what happened.

Hey! Why do you always assume I did it?

Did you?

Well, yes, but that's not the point

But, don't worry because I have a plan!

I'll switch the signs on our offices! Then the Unlovable destructible undergraduate of order won't be able to find your secret office!

Later---

Heh! Heh! Heh!

Hey! The secret office has moved... and it's even messier than before! That office is nice and clean, but it belongs to the Lovable Indestructible Grad student of Chaos, so it won't stay clean...

Argh! there is no office to steal! I have been vanquished three times in the same comic strip.

The next day---

You saved the day again! Lovable Indestructible Grad Student of Chaos! And now, it's back to business as usual, so---

Can we go bowling?

Is your PhD thesis finished yet?
