

#6 Hello! I'm the lovable
Indestructible Grad student
of Chaos and these are my good
friends Lucky the Chicken and
Munch the Hungry gerbil. Welcome
to this special edition of
Graduate Student Training!

I'm not! I just happen
to be eating and talking at
the same time. Now, today
we are going to teach the
most essential skill for a
graduate student to
have . . .

Closing our eyes---

Throwing two balls at the same time...

and throwing the ball in the wrong direction!

Wow, Mister, that was a really great shot!

Thanks!

Your ball went into the gutter again.

Hmm... I wonder what I'm doing wrong.

Mwahahaha! You cannot hit any pins because all other bowling balls obey my every command! I am the Bowling Ball of Terror! The only way to defeat me is to knock down all the pins, but I won't let you! Mwahahaha!

Look how tiny Munch is compared to those giant pins! If I throw Munch, he'll eat all the pins and get big and fat!

So?

Hey! If I have to tell you not to do that again...

It's OK, Good Bowling alley employee! I'm a grad student!

Great job, Lovable, interesting, able grad student of chaos! Let's go get some bubble tea!

Can I come?
Sure! Clucky's Paying

What do we do?

I know! Roll Munch into a ball and throw him at the pins!

NO!

SO, I have a better idea! Wait here, guys.

No! You knocked over all the pins --- in every lane! I should have said you had to knock them over legally!

and so ---
